FIDLI

PIZZERIA

DISABILITY IS NOT AN OBSTACLE

Dear guests,

welcome to Pasta Fidli – a place where fresh pizza, homemade pasta and good things happen even behind the scenes.

Every piece of dough, every portion of homemade pasta and every handful of fresh herbs passes through our hands with one goal: that you enjoy your meal and feel at home.

We make our pasta ourselves – fresh and honest from Italian semolina flour. We bake pizza in a first-class oven and carefully select ingredients that good food deserves. We believe quality and honesty are the best recipe for a happy table.

Our pizzeria is more than just food. It is an experience, an atmosphere, and also an opportunity for people with disabilities who are part of our team. Good food and a good heart belong together.

Enjoy your time and buon appetito.
